GENERAL SECRETARIAT

Dated 26th February 1946.

No. S. R. 4338—L. W. 82-45-2. Under Section 12 (4) of the Mysore Labour Act, 1942, as amended from time to time, the Government of His Highness the Maharaja are pleased to publish for general information, the accompanying report of the Chief Conciliator in Mysore in the matter of the industrial dispute between the Bangalore Transport Co., Ltd., Bangalore, and the concerned Labour Association, Bangalore, in regard to the revision of the existing scales of pay and enhancement of annual increments, etc., of the employees working in the Company.

6366 MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

No. C. C. 21—45-46.
Dated 18th February 1946.

To

THE SECRETARY TO GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE,
GENERAL DEPARTMENT, BANGALORE.

Sir,

I have the honour to make the following report under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Bangalore Transport Company, Ltd., Bangalore, and the concerned Labour Association, Bangalore, in regard to revision of present scales of pay and enhancement of annual increments for different classes of employees working in the Company.

2. The President of the Labour Association gave a notice of change dated 6th October 1945 to the Management of the Company, desiring certain changes in the existing scales of pay and in the enhancement of annual increments for different classes of employees working in the Company. The several changes that are demanded cover 17 items and are set out in detail in the annexure to the notice.

3. As the Assistant Commissioner of Labour, Bangalore Division could not bring about an agreement between the parties, the Commissioner of Labour referred the case to this office for initiating conciliation proceedings.

The case was accordingly registered and intimations sent to both the parties. I held conciliation proceedings at Bangalore both on the 28th January 1946 and the 13th February 1946. Mr. G. V. Challam, President of the Association, represented the Association, while Mr. C. A. Madhava Rao, Traffic Manager of the Company, represented the Management.

Mr. M. Abdul Azeem, B.A., Assistant Commissioner of Labour, Bangalore Division was also present on both the days.

At the outset, the Association's President stated that the Management in their reply to the notice proposed certain revisions in the scales of pay and that, the Labour Association while accepting the principles involved therein wanted certain changes and modifications in the matter of fixing the pay of those working from the inception of the Company. The correspondence in this respect was referred to. The Management's report stated that the Board of Directors had considered all aspects of the question and that, nothing more than what has already been proposed by the Management was possible, and that individual cases of hardship, if brought to the notice of the Management by individual representations would be considered suitably on their merits. After a full discussion, the Management's Representative wanted time to place the whole matter again before the Board of Directors in the light of the discussions. The Labour Representative having no objection the proceedings were adjourned to 13th February 1946.

At the adjourned meeting on the 13th February 1946, the Management's Representative filed a copy of the resolution passed by the Board of Directors at their meeting on the previous day (12th February 1946) on the subject, to the effect that "the Board have considered very carefully while fixing the pay of each employee, having due regard to the nature of duties length of service and efficiency, and do not see the necessity of revising the rates so soon again, particularly in view of the uncertainty of the future income of the Company."

The Association President said that they could not accept the decision of the Board and would press the demands. The Management's Representative stated that the Management could not accept the demands as put forth by the Labour Association.

All possible ways for settlement were explored, but the parties did not come to any settlement. The proceedings thus ended in failure, which I hereby report.

I request that this report may be published in the Gazette, as required in sub-section (4) of Section 12 of the Mysore Labour Act.

I have the honour to be
Sir,
Your most obedient servant,
NAVANEETHAM,
Chief Conciliator.
